

| Keyword | description | parameter | parameter | parameter | parameter | parameter | parameter | parameter | parameter |
|------------------|--|-------------|-----------------|-------------|-------------|-----------|-----------|-----------|-----------|
| back | go back | | | | | | | | |
| clear | clears input | Application | Page_name | Object_name | | | | | |
| clearAndIn | clears input | Application | Page_name | Object_name | "Value" | | x | | |
| click | Clicks on screen | Application | Page_name | Object_name | | | | | |
| elementExists | Validates existence | Application | Page_name | Object_name | | | | | |
| elementNotExists | Validates non-existence | Application | Page_name | Object_name | | | | | |
| forceClick | Forces a click | Application | Page_name | Object_name | | | | | |
| input | writes "x" | Application | Page_name | Object_name | "Value" | | x | | |
| inputAndEnter | writes "x" | Application | Page_name | Object_name | "Value" | | x | | |
| isEnabled | Validates enablement | Application | Page_name | Object_name | | | | | |
| isDisplayed | Validates display | Application | Page_name | Object_name | | | | | |
| isEnabled | Validates enablement | Application | Page_name | Object_name | | | | | |
| noReset | Initialization of an automated test (1st step) | | | | | | | | |
| objectSwipe | Swipes from | Direction | Application | Page_name | Object_name | Speed | | | |
| openApp | Opens an application | | | | | | | | |
| pageContains | Validates content | "Value" | | | | x | | | |
| pageNotContains | Validates non-content | "Value" | | | | x | | | |
| pressAndHold | Performs a press and hold | Application | Page_name | Object_name | "Value" | | x | | |
| scrollToElement | Scrolls until | Application | Page_name | Object_name | | | | | |
| storeObject | Stores text | Application | Page_name | Object_name | "Value" | | x | | |
| swipe | Emulates a swipe | Direction | Speed | | | | | | |
| switchContext | Switches context to native app | | | | | | | | |
| switchContext | Switches context to "testing" | "testing" | "WV millennium" | QUA" | | | | | |
| waitForElement | Waits for element | Application | Page_name | Object_name | | | | | |
| waitForObject | Waits for object | Application | Page_name | Object_name | | | | | |
| waitForSeconds | wait for "x" | "Value" | | | | x | | | |
| waitForText | wait for text | "Value" | | | | x | | | |
